Sustainability Slogan

“Number two never looked this good.”

Twist on its original message - “Being naked is the #1 most sustainable option. We’re #2.”

It retains the humor and familiarity, but adds a confident, stylish style.
It's teasing, a little flirtatious, and memorable, it's exactly the kind of sound Reformation uses in its brand.

Being naked is still the #1 most sustainable option. But we're working on it.
Meet RefScale — our tool that tracks the environmental footprint of every piece we make.
This dress saved:
12 lbs CO_2
15 gallons water
#RefScale #NumberTwoNeverLookedThisGood

RefCollective: Style It Forward

Customers are invited to bring in used Reformation pieces to be redesigned, repaired or upchanged and then kept, exchanged or donated.

In-store experience:
Pop-up studios in Reformation stores (New York, Los Angeles, etc.)

- Collaborate with local designers, stylists or upcycled artists
- Offer free repair workshops or style advice on how to remodel

Online experience:
Hashtag campaign: #StyleItForward

- Customers post Reformation pieces that they have upchanged or repaied
- Each week the winner will receive a gift card
